

Best Yorkshire puddings

Yields: 8 items

Total time: 25 minutes

Ingredients

- 140g plain flour (this is about 200ml/7fl oz)
- 4 eggs (200ml/7fl oz)
- 200ml milk
- sunflower oil for cooking

Instructions

Heat oven to 230C/fan 210C/gas 8.

Drizzle a little sunflower oil evenly into two 4-hole Yorkshire pudding tins or two 12-hole non-stick muffin tins and place in the oven to heat through.

To make the batter, tip 140g plain flour into a bowl and beat in 4 eggs until smooth.

Gradually add 200ml milk and carry on beating until the mix is completely lump-free. Season with salt and pepper.

Pour the batter into a jug, then remove the hot tins from the oven. Carefully and evenly pour the batter into the holes.

Place the tins back in the oven and leave undisturbed for 20-25 mins until the puddings have puffed up and browned.

Serve immediately. You can now cool them and freeze for up to 1 month.
